See reverse for complete prescribing information

Capsaicin 0.025% Cream

Topical Analgesic

Indication and Usage:

Capsaicin 0.025% Cream is used for the temporary relief of minor aches and pains of muscles and joints associated with arthritis, strains, and sprains. It is for external use only.

Warnings:

For external use only

- This is not a face cream. Do not apply to the face.
- Do not use if allergic to chili peppers or if past allergic reaction to capsaicin.
- Do not apply to wounds or damaged, broken, sunburned, chapped or irritated skin.
- Do not bandage tightly.
- Do not apply within 1 hour before or after bath, shower, hot tub, sauna or vigorous exercise. Warm water, perspiration or open pores can intensify the impact of this product and cause a burning sensation.
- Do not use with a heating pad, hot water bottle or other source of heat. Doing so can increase risk of serious burns.

Directions:

- Rotate pump's spout counter-clockwise slightly to unlock; clockwise to lock.
- Before using on children under 18 years of age consult a physician.
- Apply sparingly to affected area not more than 4 times daily. However, for first use, apply to small area to test for sensitivity or skin reaction.
- Gently massage into the skin until fully absorbed.
- Wash hands with soap and water thoroughly after each application to avoid spreading to the eyes or other sensitive mucous membranes.
- Wash hands with soap and water immediately after applying (unless hands are part of the treatment area). If applying cream to hands, wait 30 minutes before washing hands.

Call your doctor about side effects. To report side effects, call **Puretek Corporation** at **1-877-921-7873**.

Store at controlled room temperature 20° to 25°C (68° to 77°F). [See USP]. Protect from light and moisture and avoid excessive heat.

Do not use if bottle seal is broken.

KEEP THIS AND ALL MEDICATIONS OUT OF THE REACH OF CHILDREN.
