

Urea 39.5%™ Cream

NDC: 59088-698-16

DERMACINRx

Description:

Urea 39.5% cream is used to treat dry/rough skin conditions (such as eczema, psoriasis, corns, callus) and some nail problems (such as ingrown nails). It may also be used to help remove dead tissue in some wounds to help wound healing. This product is to be used as directed by a physician and should not be used to treat any condition other than that for which it was prescribed. If redness or irritation occurs, discontinue use and consult a physician.

Unit Detail:

8oz/ 227g Jar

Dosage:

Apply Urea 39.5% Cream to affected area(s) twice per day, or as directed by your physician. Rub in until completely absorbed. Apply to diseased or damaged nail(s) twice per day, or as directed by a physician.

See reverse for complete prescribing info

Urea 39.5%™ Cream

Active Ingredient: Urea 39.5%

Inactive Ingredients: Aqua (Purified Water), Ceteareth-6, Ceteareth-25, Cetyl Alcohol, Methylparaben, Paraffin, Propylene Glycol, Stearyl Alcohol, Xanthan Gum.

Indications and Usage: For debridement and promotion of normal healing of hyperkeratotic surface lesions, particularly where healing is retarded by local infection, necrotic tissue, fibrinous or purulent debris or eschar. For the treatment of hyperkeratotic conditions such as dry, rough skin, dermatitis, psoriasis, xerosis, ichthyosis, eczema, keratosis pilaris, keratosis palmaris, keratoderma, corns and calluses, as well as damaged, ingrown and devitalized nails.

Contraindications: This product is contraindicated in persons with known or suspected hypersensitivity to any of the ingredients of the product.

Dosage and Administration: Apply Urea 39.5% Cream to affected skin twice per day, or as directed by your physician. Rub in until completely absorbed. Apply to diseased or damaged nail(s) twice per day, or as directed by a physician.

Warnings: For external use only, not for ophthalmic use.

When using this product avoid contact with eyes, lips or mucous membranes.

Discontinue use and consult a physician if redness or irritation occurs

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

Adults and children over 18 years:

- Apply to affected area
- Massage into painful area until thoroughly absorbed
- Repeat as necessary, but no more than 2 times daily

Store at controlled room temperature 20° to 25°C (68° to 77°F). [See USP]. Protect from light and moisture and avoid excessive heat.

KEEP THIS AND ALL MEDICATIONS OUT OF THE REACH OF CHILDREN.
